

MISSING PET

Our 2.5 lb Yorkie, Piper, has been missing since the early morning of Tuesday, April 8, 2025. She is a traditional colored yorkie and is nearing 15 years of age and does not hear or see well. We are worried and miss her dearly. She was last seen near the Grand Coulee PUD. If anyone has seen her or has any information of her whereabouts please contact Shonita at (509) 631-0152
